

John Mackay

# GOLDFIELDS EASTER CONVENTION 2010

Castlemaine Victoria

Friday 2nd April to Monday 5th April 2010.

Join us for three days of wonderful Bible teaching as we dig for gold in God's Word about the love that made the Creator become our Saviour. Our speaker will be renowned Bible teacher and international Director of Creation Research John Mackay. Share wonderful fellowship with other saints and gain some wonderful insights on God's eternal plans for salvation through the death of his Son Jesus as we ponder yet again the good news our Heavenly Father planned from the very beginning.

John has preached worldwide and debated leading Atheists such as Richard Dawkins, plus Muslims and leading anti-Christian Academics. God has blessed John with success in exposing the falsehood of attacks on the truth of God's Word from Genesis to Revelation. But more than that, God has gifted John with real insight into God's eternal and wonderful truths of salvation which he will be sharing this coming Easter at the Goldfields Easter Convention. Come and get gold without price. We have also asked John to do several public outreach meetings on the historical and scientific evidence God's Word is true from the beginning. So why not invite unbelievers to this unique opportunity. Call now and let us know you are coming so we can cater for all. Admission is free, and offerings will be taken at all meetings to defray expenses.

The convention will be held in the Baptist church hall, 20 Templeton St, Castlemaine, Victoria. We thank them for their generosity in loaning the hall to the local Convention Committee. The Baptist Church Hall is only a block away from the Castlemaine V Line station which also has a bus service to Maryborough Vic. So it is possible to travel by bus or train to the meetings.
