

# SEE THE REALLY INCONVENIENT TRUTH ABOUT GLOBAL WARMING

with World leader on Creation Research John Mackay as he brings you CLIMATE CHANGE AND CREATION - A BIBLICAL PERSPECTIVE.

**ANSWERS IN GENESIS UK HEAD DR MONTY WHITE (Phd - Gas Kinetics) SAYS about this program "This needs to be shown to every Government minister, never mind about Christians. I love the way it is so Biblically based."**

Check out God's word on God's world, PLUS see the evidence from rocks and verifiable written human records worldwide. It's a " REAL BIBLICAL PERSPECTIVE" that you will be blessed, encouraged and challenged by! The history of the world and the weather from the Word of the Creator God who was there, rather than the opinions of men who were not.

Speaker

**John Mackay**  
International Director  
of Creation Research

## THIS PROGRAM COVERS

- Is man causing global warming?
- Is it global warming, climate change or tax revenue?
- What was the weather like at creation?
- What has been it's history since then?
- What effect did Noah's flood have?
- What role does God have in weather?
- Does the Bible speak of future global warming?
- Does it matter if Polar Bears become extinct?
- Q and A session
