

Welcome to a short but very important Evidence News. Two things of vital interest. Our main web is undergoing reconstruction as of Monday 3rd June, and as of tomorrow we start shifting things out of our way at the flood damaged DVD studio we use in Brisbane to begin final edits of Darwin on the Rocks part 4. And UK Londoners read your bit specially while we work putting the doors back on our latest huge fossil displays for our museum downunder. God's blessings from John Mackay and the Creation Research Team worldwide.

1. NEW QUESTION: ISLAM has been the source of several questions over the past few weeks, so for this week's ASK site question Dr Diane Eager has a great reply to: *"Muslims say they cannot believe that Jesus is a part of the Godhead because even on earth God would not get tired, dirty, need to use the toilet and so on; therefore Jesus was only a man, a prophet. I'm wondering about how best to answer this."* [ANSWER](#).

4. BACK TO THE FUTURE because it is good to be able to announce that after all the trials of the last 18 months with the Australian floods of 2011, demolishing of our Jurassic Ark , the DVD studio, etc, followed by the fires of January 2012 which destroyed all our digital climate change CO² sensors and terrarium controls – we have finally made it back to February 2011 - just about ready to edit the DVD, just about to start redoing the web site etc. It has taken a lot of work, many side-tracks, and the prayers and financial support of God's people. So a big thank you for that support and please continue giving worldwide, It seems we have spent such a long time going backwards in order to once again go forwards, but it had to be done and with God's grace we have made it thus far. As of this week we are back to editing the footage shot in 2010 for the last part of Darwin on the Rocks and, God willing, we will be back in Kentucky to finish the editing in August for this series. And, yes, we would encourage you to increase your giving so we actually can move positively forward in catch-up mode. [DONATIONS](#).
