## Win Life After Death

Written by Administrator Wednesday, 24 July 2013 02:03 -

Your chance to win life after death, offers *New Scientist* 12 October 2002, p22. The competition prize is to have your body frozen at the Cryonics Institute in Michigan in the hope that one day scientists will find a cure for death and revive you into new life. The alternative prize is a trip to Hawaii before you are dead.

**Editorial Comment**: There is only one person in the history of the world who has any tested credentials for offering life after death, and that is the Lord Jesus Christ. He proved it by coming back from the dead. He has also promised to return for those whose faith is in Him and give them new bodies and a new heaven and earth (Revelation 21-22). He will also destroy the the current world with fire. No freezer on earth will be able to survive that. (Ref. life, death, resurrection)
