The Christmas scene in the shop window displayed the manger, shepherds, Mary and Joseph, the Baby, wise men, angels, star, Santa Claus, a Christmas Tree and the Easter Bunny! So let's ask one question. Apart from the Easter Bunny and Santa, what's wrong?

Let's start by asking a Christmas Question to test your Bible knowledge

Complete the following: "Hark the Herald Angels...?"

Did you say sing?

BUT the Apostle Luke wrote said!

It was George Whitfield who wrote the Herald Angels 'sing'. I know - you think Charles Wesley wrote the carol, but Whitfield rewrote the first 2 lines in 1753. Wesley had written the first line in 1739 as 'Hark how all the wellkin rings'. (Be honest - do you really know what a wellkin is?)

See what Luke wrote in Chapter 2:10,13: “And the angel said unto them, Fear not: for behold I bring you good tidings of great joy, which shall be to all people. ... And suddenly there was with the angel a multitude of the heavenly host praising God, and saying,”

Now try the question again ......

The First Noel, the angels did ----?

Say!!! Right (Sorry - nobody seems to know who wrote this more accurate Traditional English Carol)

It is true that we often learn best only after we discover we don't know very much, so let's test our knowledge of what the Bible says about Christ's birth - which is usually the centre of the traditional Christmas Manger Scene.

How many Magi, or wise men, followed the star to Bethlehem (2, 3 or 4)?

The correct answer is None - Matthew 2:1-2 reads:

1. "Now when Jesus was born in Bethlehem of Judaea in the days of Herod the king, behold, there came wise men from the east to Jerusalem, 2. Saying where is he that is born King of the Jews? For we have seen his star in the east, and are come to worship him."

Did you notice that the Magi saw (past tense) the star in the east (Matthew 2:2). Somehow they knew the star had been the sign for them to go to Jerusalem, the capital of Israel.

Since stars move East to West and Bethlehem is south of Jerusalem, they couldn't have followed any ordinary star from Jerusalem to Bethlehem!

So how did the Magi know to go from Jerusalem to Bethlehem? This answer is easy.

King Herod the Great told them. But how did he know? See what Matthew records in Chapter 2:3-10

3. "When King Herod heard these things, he was troubled, and all Jerusalem with him."

4. And when he had gathered all the chief priests and scribes of the people together, he (Herod) demanded of them (the priests) where Christ should be born.

5. And they said unto him, In Bethlehem of Judaea: for thus it is written by the prophet,

6. 'And thou Bethlehem, in the land of Judah, art not the least among the princes of Judah: for out of thee shall come a Governor, that shall rule my people Israel.'" (quoted from Micah 5:2)
7. “Then Herod, when he had privately called the wise men, enquired of them diligently what time the star appeared.

8. And he (Herod) sent them to Bethlehem, and said, Go and search diligently for the young child; and when ye have found him, bring me word again, that I may come and worship him also.

9. When they had heard the king, they departed; and, lo, the star, which they saw in the east, went before them, till it came and stood over where the young child was.

10. When they saw the star, they rejoiced with exceeding great joy.”

Did you spot how Herod the Great knew to send the Magi to Bethlehem?

The same reading (Matthew Chapter 2: 3-10) tells us the wise men (the Magi) obtained directions to Jerusalem from King Herod, who was told by the Priests, who learned it from the Scriptures. But the wise men didn’t see the star again until they arrived in Bethlehem.

DID YOU KNOW the group of wise men called the Magi gave rise to our English word magicians? But, who were they?

Secular history plus the book of Daniel (Chapter 2:2-4) tells us the Magi were a Babylonian priesthood which included wise men and astrologers. They were important court officials. The fact that the Christ was welcomed by those outside Israel was perhaps a hint that the gospel was going to be for everyone.

The Magi were Gentile astrologers from the lands east of Israel, which does raise one more question: How did the Magi know the star meant go to Israel? They had told Herod, the then king of Israel, (Matthew 2:1-2) they had seen the new Kings star in the east, and had come to worship him.

They must have known something that would connect - a star with a king at Jerusalem.

Don’t be surprised that there is one such prophecy in the Bible.

Numbers Chapter 24:17 records “there shall come a Star out of Jacob, and a Sceptre shall rise out of Israel.”

Note the association - A Star, Jacob (later renamed Israel), and a Sceptre (symbol of Kings)

This prophecy was spoken by the Gentile prophet Balaam, who lived near the Dead Sea and is better known for being rebuked by a donkey (Numbers 22:23-31). Numbers 24:1 tells us Balaam dabbled in spiritual things good and bad, lived about 1450BC and interacted with the people of Israel when they began to move into Canaan after the Exodus from Egypt.

So next question: how could such an ass prophesy about CHRIST?

Numbers 23:5 says: “The LORD put a word in Balaam's mouth,”

Numbers 24:2 states: “and the spirit of God came upon him (Balaam).”

I’m sure you’ll agree that if God could make a donkey speak, He would have had little trouble putting words into Balaam’s mouth.

Which raises this problem. If Balaam lived near the Dead Sea, then how did the Magi, who lived far East of the Dead Sea, know about Balaam from ‘far’ west of them?

There is only one possible answer - from the Israelite prophet Daniel (607BC) who was raised in Babylon the centre of the Magi’s influence.

But why would the Magi listen to Daniel?

Simple - they owed him one. Daniel had saved the Magi’s necks by revealing King Nebuchadnezzar’s dream. (See Daniel Chapter 2:1 - 30) The King’s dream would have cost the Magi their lives since they failed to reveal it or interpret it. Daniel also knew of other Scriptures in Genesis which teach that stars have meaning. A subject which should have fascinated the professional astrologers called the Magi.

So let’s make our first Major point: CREATION is the key to the real meaning of CHRISTMAS.

What do we mean? Read Genesis Chapter 1:14-19

“And God said, Let there be lights in the firmament of the heaven to divide the day from the night; and let them be for SIGNS, AND FOR SEASONS, AND FOR DAYS, AND YEARS: And let them be for lights in the firmament of the heaven to give light upon the earth: and it was so. And God made two great lights; the greater light to rule the day, and the lesser light to rule the night: he made the stars also. And God set them in the firmament of the heaven to give light upon the earth, And to rule over the day and over the night, and to divide the light from the darkness: and God saw that it was good. And the evening and the morning were the fourth day.”

You may not know that Planet is the Greek word for moving star (vs still stars) - so planets are also included in Genesis 1:14-19.

The KJV is still more obvious when it talks about Stars being for signs and times and seasons - examples of what this means may help.

Stars can be Signs for Directions - e.g. North, from the Pole Star - South, from the Southern Cross and South Celestial Pole - East from Orion.

Stars can be Signs for Time - the Southern Cross constellation points to 12pm at midnight on April 1 every year. (That's not an April Fool's joke either.)

So don't be surprised that The Devil has disguised the real meaning of stars in two main ways:

(a) by the invention of false (satanic) astrology which you can read daily in many newspapers and magazines, and

(b) by Evolutionary Theories, such as the Big Bang, which makes stars meaningless blobs of matter, which have ended up where they are only through naturalistic, random, materialistic forces and not the actions of the Creator. Therefore, many modern astronomers do not seek the Christ at all. They are no longer 'wise men'.

Back to our question: How did the Israelite Daniel get to be in Babylon where he could teach the Gentile Magi about stars?

The first New Testament martyr, Stephen, tells us in the message he preached just before his death. He spoke about the Jewish exodus from Egypt (1450BC).
Acts Chapter 7:41-43 declares
41. "And they (the people of Israel) made a calf in those
days and offered sacrifice unto the idol, and rejoiced in
the works of their own hands. (While Moses was on Mt
Sinai)
42. Then God turned, and gave them up to worship the
host of heaven; as it is written in the book of the
prophets, O ye househouse of Israel, have ye offered to
me slain beasts and sacrifices by the grace of forty years
in the wilderness?
43. Yea, ye took up the tabernacle of Moloch, and the
star of your god Remphan, figures which ye made to
worship them: and I will carry you away beyond
Babylon."

You might be interested to know that Stephen took his
message from the words of the Prophet Amos (5:25,26)
but substituted the location Babylon for Amos’ word,
Damascus - Babylon is certainly a long way beyond
Damascus.

But did you catch that? The Jews of Daniel’s day (607
BC) went into exile because their ancestors in Egypt, 7
centuries earlier, took up astrology and built a golden calf
to worship the stars.

So you ask, why did they make a golden bull to
worship stars? Why not make a gold duck?
The answer is relatively simple. Do any star groups or
constellations resemble a bull? Taurus (the bull) does.
It’s also a fact of history that this constellation inspired the
Egyptian bull god Apis.

Therefore Israel’s calf was a pagan star god they
took from Egypt.

Now watch this next key step: Pagan Astrology,
learned by the Israelites in Egypt before
1400BC, was a major reason for the exile of
Israelites to Babylon after 700BC, through
which Daniel got to tell the Babylonian Magi
(Astrologers) about God’s revelations
concerning stars from Genesis to
Numbers.

There is a very serious message for us
all here - PARTICULARLY FATHERS!

“TAKE CARE - YOUR ACTIONS INFLUENCE
CENTURIES AHEAD!”

Still puzzled about which Star the Magi saw?
The Bible gives us some clues. It had to be bright and
unusual. It had to appear several times over 2 years (in the
East and over Bethlehem), and it therefore it had to be in
different positions. It also had to interest Gentile
astrologers so they could somehow interpret it as pointing
to Israel.

THE FATHER OF MODERN ASTRONOMY - JOHANNES
KEPLER (1600’s) was one of the first to seriously try to
tell us which star it was.

Who was Kepler?
He began his career as a court astrologer, but became an
evangelical Lutheran Christian who believed the Bible. As
a result he exposed false astrology by keeping records of
the accuracy of his and other court astrologers’
predictions - their success rate was dismal. Kepler
undermined the reliability of astrology completely.

He had also read Jeremiah 33:25, 26 where “The LORD
says: ‘If I have not established my covenant with day and
night and the fixed laws of heaven and earth, then I will
reject the descendants of Jacob and David my servant and
will not choose one of his sons to rule over the descendants
of Abraham, Isaac and Jacob.

Did you NOTICE that: The Scripture associates the
“fixed laws of heaven and earth” with a future King
descended from David, i.e. Christ!

KEPLER’S BEST GUESS (This is not Gospel)
In 1604 Kepler observed the planets Jupiter, Saturn and
Mars move towards each other (or align) to produce a very
bright star! By discovering the fixed laws of heaven and
earth about the motion of planets and stars, Kepler
discovered that this combination of Mars, Jupiter and
Saturn could happen only once in 805 years. Therefore, it
should have occurred in 799 AD and in the spring of 6 BC,
2 years before the birth of Christ. (Usually now put about
4BC - Gregorian calendar difference) (You can test
Kepler’s views in 2409 AD if you are still interested.)
Kepler’s calculations show that these events took place in
the constellation Pisces, (the fish). History tells us that
ancient astrologers called this constellation, the house of
the Hebrews.

In the ancient astrologers manual of the day, planet
activity in the fish constellation was supposed to refer to
the Jews.

It should by now have come to your
memory that the fish was a symbol
of the early Christians. That’s too many coincidences
don’t you think?

Let’s continue with a new question. Everybody knows
there were three types of gifts? - Gold, Frankincense
and Myrrh, but what did the 3 gifts have in common
(apart from being expensive)? Give up?

None were man made. Gold, Frankincense and Myrrh
were all natural parts of God’s creation.

Myrrh and Frankincense are ‘aromatic’ resins or plant
saps. Gold is a naturally occurring metal.

We know what these gifts symbolised.

Myrrh - for the burial of the Son of Man as a Prophet.
Frankincense - for worship of the Son of God as a Priest.
Gold - for the Son of David as a King.

But do you know what happened to the Gold?
It was probably used by Mary and Joseph as spending
money when they fled from Israel to Egypt. Remember,
Joseph had no job lined up.

So why did they go to Egypt?
The angel told Joseph to go (Matthew 2:13). It was not only
the quickest way to escape from Herod - it was also
necessary to fulfill several prophecies.

Matthew Chapter 2:15 quotes the prophesy in Hosea 11:1
about “God’s Son coming out of Egypt” which was
necessary because the Lord told Moses to tell the people
their Messiah would be like himself. In Deuteronomy
Chapter 18:15 Moses prophesied: “The LORD thy God will
raise up unto thee a Prophet from the midst of thee, of thy
brethren, like unto me;” Moses grew up in Egypt, so Jesus
got to grow up there as well.

That’s why Moses had to be the ‘son of a King’ (Pharoah) -
Jesus was as well (David!)

Now for one last Christmas Carol Question. “We three
kings from Orient are”. Why 3 kings and not 4?

Surprisingly its not just because of the 3 gifts, and not
because 3 wise men look nice on Christmas cards. There
actually is a prophecy about these kings in the Psalms.
Psalm 72:10 states “The kings of Tarshish and of the isles shall bring presents: the kings of Sheba and Seba shall offer gifts.”

Psalm 72:10 is a direct statement about Solomon, but the Psalm is also a prophecy about Christ.

Psalm 72:11 says “all kings shall fall down before him”.

That was not true of Solomon and could only be true of a King of Kings.

(See Jeremiah 33:20,21 concerning the prophesied son of David, which Solomon was, as also was Christ.)

ARE WE STRETCHING IT? Check for yourself. Isaiah, who lived after Solomon, quotes and expands Psalm 72 in reference to the glory the Redeemer brings to Zion.

In Isaiah 60:6, 9-10 Isaiah states
"... all they from Sheba shall come: they shall bring gold and incense; and they shall shew forth the praises of the LORD.... Surely the isles shall wait for me, and the ships of Tarshish first, to bring thy sons from far, their silver and their gold with them, unto the name of the LORD thy God, and to the Holy One of Israel, because he hath glorified thee. And the sons of strangers shall build up thy walls, and their kings shall minister unto thee;"

When you look up these 3 Kings of Sheba, Seba and Tarshish you discover....

Sheba (Genesis 10:7b) was a descendant of the Ham who gave rise to the African Cushites (Ethiopians). Remember the Queen of Sheba who came to Solomon for wisdom, bearing gifts. (She had Black skin.)

Seba (Genesis 10:7a) was a son of Cush who gave rise to the people in South Arabia. (They had Brown skin.)

Tarshish - several are mentioned in Scripture, but only one was a wise man (Esther 1:13, 14). He was a Magi, a prince under Ahasuerus (Xerxes), ruler of Persia. (His descendants still have White skin.)

The three different skin colours probably symbolised the fact that all races of the world could come to the Saviour. (See also Isaiah 60:3)

So what conclusion can we reach?

Should you go straight home and destroy all your inaccurate Christmas decorations? You can replace them with more accurate ones if you wish, but the point of this message is the answer to a more important question!

Could you trust a God who:
at Creation made the Stars and the planets,
gave them just the right speed, then revealed their purpose to the first man, Adam, who wrote it down so Noah's grandfather, Methuselah, received a copy, which was given to Noah (to preserve on the Ark),

so Noah's godly son, Shem, could get it safely past Babel's confusion,
where the ancestors of the Egyptians learned their pagan astrology, which Israel foolishly copied and took with them during the Exodus,

which God enabled to happen at just the right time for Moses to record Balaam's prophecy around 1400BC, so that 700 years later, Daniel could take it to Babylon and teach the Magi, who passed down the information that the star sign meant "go to Israel",
while the stars and planets continued to travel at just the right speed down through the years, so the Magi's descendants, 700 years later, would see 'THE' star,
and leave at just the right time to create a problem for King Herod the Great,
so Joseph would have to flee to Egypt to fulfill prophecies such as Deuteronomy 18:15,
so you and I could know beyond a shadow of a doubt that this Jesus was indeed the promised Saviour of the world?

Could you trust a God who could arrange all these things?

The one, who could organise all this, is indeed the Sovereign Lord.

He went before His people at Creation, He came for His people at the birth of Christ, He died for His people at Calvary, He then rose from the dead, And now goes before His people today and throughout all Eternity.

Never cease to be amazed at Him. Give Him the glory that is due to His Name.

Worship Him as your Creator, Sustainer, Saviour, Lord and God! And if you don't - be warned!

This same Lord, who is the Creator and the Christ, is coming again as Judge of all the earth. The warning sign will again be in the stars.

In Matthew 24:29, 30, 31, 36 Jesus said about His return:

"Immediately after the tribulation of those days shall the sun be darkened, and the moon shall not give her light, and the stars shall fall from heaven, and the powers of the heavens shall be shaken: And then shall appear the sign of the Son of man in heaven: and then shall all the tribes of the earth mourn, and they shall see the Son of man coming in the clouds of heaven with power and great glory. And he shall send his angels with a great sound of a trumpet, and they shall gather together his elect from the four winds, from one end of heaven to the other....But of that day and hour knoweth no man, no, not the angels of heaven, but my Father only."

Matthew 25:46 “And these (the unbelievers) shall go away into everlasting punishment: but the righteous into life eternal.”
